Match Allocation

- CenturyLink will match donations made through our online drive up to a total of \$1 million nationwide.
- Based on our projections, we plan to match donations at the levels outlined below (75% of the highest point of each range).
- If our total food drive contributions result in a total match that exceeds \$1 million, based on the grid in the table below, the match will be prorated to a maximum of \$1 million, and the actual match percentage for each tier in the table will be lowered accordingly.
- The 2017 campaign will be conducted online through our site. Only monetary donations made through our site will be eligible for the match.
