Hi Nanette,

I somewhat modified my bio below from the Bank's website. Maybe you or Julie could look at it and come up with any suggestions to tailor it more towards the ECHO function rather than the lending function. Let me know what you think.

Good Morning,

Back in October I requested a bio for the board section of our website. I received only one 😞

As we seek board members (and we need them!) and as they do their own due diligence and look at our website, it could be helpful to see who is on our board and learn a little about them. If you could please send me a brief bio, I would really appreciate it.

Henry, could you please pass this info on to AI?

Thanks,  
Nanette

Good Morning All!

As we continue to update the board section of our website, I thought I would be helpful to add a bio for each of you that tells a little about yourselves and what it means to you to serve as a board member of ECHO, Inc.

Additionally, as we move forward recruiting for board members we need to meet the CSBG requirement of a tripartite board, which is, as you know, at least 1/3 low income community members, up to 1/3 public officials and 1/3 private sector. Unfortunately, we are not currently meeting these requirements.

As we pursue new board member it is my hope your bio will be helpful in the process.

It would be greatly appreciated if you would please submit a bio and would like to receive it by 11/15/2020. Please submit to Julie at [jbegay@echoinc.org](mailto:jbegay@echoinc.org).

Lastly, as we move into the recruitment process, please let me know if there are any specific questions you would like to be asked during the vetting process.

Thanks so much for all you do!

Nanette
